### RATE CARD

---

Established in 1917, The Transportation Alliance is a non-profit trade association of and for the private passenger transportation industry. Our extensive community spans the globe and includes taxicab companies, executive sedan and limousine services, airport shuttle fleets, nonemergency medical transportation companies, and paratransit services. **Our database includes U.S.-based and International fleet owners, managers and other key personnel.**

# OVERVIEW

Transportation Insights includes articles written by TTA experts on important developments affecting the industry, including legislative, legal, operations, technology and other key issues. Each issue is sent to over 10,000 industry leaders on a bi-monthly basis.

Industry News provides all TTA members with curated news stories important to the industry. The newsletter is issued once a week, approximately 50 times per year to the entire TTA membership.

We offer one vendor-sponsored webinar per month which includes a 20-30 minute presentation followed by an interactive question-and-answer period. These webinars are promoted to over 10,000 industry leaders.

Opportunity to send promotional emails to our contact lists with a "Most Valuable Partner" header.

We are offering the opportunity for premium exposure with this opportunity to place a pop-up ad on the TTA website.
